

SPENCER CITY STAR JANUARY 2023

Vision Statement: “The Good Neighbor City” where the quality of life is available to all!

Mission Statement: To promote the existing peaceful atmosphere while providing quality services to our community through public awareness, public safety, communication, and beautification, utilizing economic development to enhance a positive future.

Spencer Chamber of Commerce would like to extend a big thanks to their Partners who donated door prizes at their open house event.

Tinker FCU, Oklahoma Natural Gas, Community Health, and the City of Spencer.

Kenneth and Daeshon say “without all of their support we wouldn’t have been able to pull this Holiday Open House off.” Also, they signed three new businesses to the Chamber that same night, which is a brand new accomplishment all around!

Kenneth, Daeshon, and each of their Chamber members are truly grateful for the community and their generous partnerships.
