

Big Trash Day

BULKY WASTE COLLECTION GUIDELINES PER WASTE MGMT

Bulky waste should be on the curb **no** earlier than Friday before and **no** later than 6:00 am on the day Big Trash Day starts. Items must be within 4 ft. of the curb. We cannot come onto your property to retrieve the bulky waste items. Items should be set at least 5 ft. from mailboxes, gas meters, cars, shrubs, or anything else that could interfere with our mechanical lifting arm. For the same reason, items should be set at least ten feet away from utility poles, to prevent contact with overhead power lines.

We will pick up a maximum of 4 cubic yards of bulky waste.
